MORE THAN YOU COULD EVER IMAGINE: On Our Becoming Divine

The book **MORE THAN YOU COULD EVER IMAGINE: On our Becoming Divine**, by Fr. Bernie Owens, S.J. exemplifies the joy of the spiritual life. This book in a clear and inspiring manner shows us that living a profound spiritual life changes us into more peaceful God-filled persons. This total commitment to living a spiritual life will bring to us so much more that we could ever realize. It is easy to forget this or minimize this. The Kingdom of God and the Kingdom of heaven really does begin now.

One of the biggest challenges we all have is to realize and experience the possibilities of joyful internal change in our emotional and spiritual life. This workshop/day of reflection will help you to do just this.

This is a day to come away to the quiet and serene Capuchin Retreat and learn about the joy of spirituality. Getting closer to God in our lives is really "MORE THAN YOU COULD EVER IMAGINE." This will be a day to share and experience what it means to become Divine which is a way of saying what it means to be totally immersed in God.

This is a day for anyone interested in deepening their spiritual life. It is a day to come away and discover again how to positively deepen your personal journey with God.

Spirituality is to enter into the joy, refreshment and peace of God. When we totally deepen our surrender to God our lives are completely changed. It is both an unsettling and a most comforting experience. This book by Bernie Owens S.J. helps us to understand this and appreciate this. It also gives us a roadmap of how to deepen our experience of God.

Reserve this day. It will have a profound impact on your whole life. You will leave this day inspired, renewed and so joyful and hopeful about being on a positive spiritual journey in your life.

Cost for the day: \$50.00/person which includes breakfast, lunch and refreshments throughout the day.
