## CELTIC SPIRITUALITY

**D**uring this season of the “wearing of the green” come and enjoy a day of **CELTIC SPIRITUALITY**.

**SPIRITUALITY** describes our approach to life—what we think, what we do and how we do it. Each nationality and historical perspective adds its own flavor to how we relate to God and others. Spend this day open to the influence of centuries of Irish culture. Open your heart to “thin places” and “pilgrimage.”

Together we will explore the central components of **CELTIC SPIRITUALITY** and take the time to reflect on their potential for deepening our own approach to God and life. We will pray together through the prayers of some of the ancient **CELTIC** saints and holy ones. We will enjoy the contemporary music of Irish composers as they express the prayer of today’s people.

Suggested donation for the **CELTIC SPIRITUALITY** program is \$25

*May you travel in an awakened way,  
Gathered wisely into your inner ground;  
That you may not waste the invitations  
Which wait along the way to transform you.*

*May you travel safely, arrive refreshed,  
And live your time away to its fullest;  
Return home more enriched, and free  
To balance the gift of days which call you.*
