

VOLUNTEER PLANTING DAY

Wednesday, May 23, 2018

8:30 a.m. to Noon

As we prepare for our major 50th Anniversary Celebration our grounds will be enjoyed by more people than usual. Let's go all out sprucing up the grounds this year. Bring your gardening tools and we'll provide the flowers. We'll be weeding, cleaning, and planting. We will keep you hydrated with bottled water throughout the morning, and then provide a nourishing lunch at noon. To assure that we have adequate provisions, please call 248 651-4826 to let us know you'll be joining us.

(In case of rain, we will reschedule to Thursday, May 24)
