

MAY MEETING

Group Spiritual Direction Offered by Fr. James Hast, OFM Cap.

What is Group Spiritual Direction?

This provides an opportunity for a group of individuals to come together to share common faith. To explore their understanding of God and to discern God's possible will and direction in their lives. This can pave the way to greater spiritual maturity and acceptance of self and others.

There will also be an opportunity for reading, reflection, and sharing of a scripture passage.

I will begin with one group limited to five or six people.

Each session should last no more than an hour and will meet once a month. If there are more people interested, we may start other groups.

Qualifications: Individual should be comfortable to share faith in a group setting.

Date and time for next meeting: Thursday, May 23, 2019, at 10:00 AM. The group will discuss future meeting dates and time.
